

Tiseer Msugh Andrew – Web3 Portfolio

About Me I'm Tiseer Msugh Andrew, a motivated Web3 enthusiast from Nigeria with a background in Zoology (BSc, 2024). Though I started in science, I've grown a strong passion for technology, blockchain, digital creativity, and online communities. I'm actively learning tools like Solidity, Web3.js, Node.js, and working with GitHub, all from my Android phone. I'm committed to building real-world decentralized solutions and making tech accessible. Whether it's marketing, smart contract logic, or content design, I give my best. Skills 🧰 Tech - Web3 Basics (Ethereum, L2s) - Solidity (beginner) - JavaScript (learning) - Node.js (via Termux) - Web3.js / Ethers.js - Git & GitHub 🧠 Non-Tech - Digital Marketing - Content Writing - Graphic Design (Figma, Canva) - Community Building - Communication Skills --- 📁 Projects Web3 CV Project – Built my own portfolio using Notion - Figma dApp Mockup– Designed a decentralized app interface - Telegram Promo Campaign – Promoted a crypto project to online communities --- 🏠
