

COVER LETTER

Dear Hiring Manager,

I am writing to express my interest in joining your organization as a Web3 team member. With a BSc in Zoology, strong skills in digital marketing, content creation, and emerging blockchain technologies, I bring a unique blend of technical understanding and creative expertise to the rapidly evolving Web3 space.

Over time, I have gained practical experience in digital campaigns, content development, and community engagement within tech-focused environments. I am proficient with cryptocurrency tools, NFTs, DeFi concepts, and GitHub basics, and I am passionate about contributing to innovative blockchain solutions that enhance user experience.

I am confident that my adaptability, willingness to learn, and enthusiasm for decentralized technologies will make me a valuable asset to your team. I am open to both tech and non-tech roles, including digital marketing, community management, or Web3-related content roles.

Thank you for considering my application. I look forward to the opportunity to contribute to your project's growth and success.

Sincerely,

Tiseer Msugh Andrew
